The Emergency Assistance Line is open 24 hours a day, 365 days a year.

Travel claims

If **you** need to make any kind of non-emergency claim, please call the Claims team on **01403 788 983**, or **+44 1403 788 983** if **you** are abroad.

Please have **your** insurance **policy** number found on **your Validation Certificate** to hand and have ready any documents **you** have that could be relevant to **your** claim. This section sets out what documentation **you** may be asked to provide for the different sections of cover and depending on the details of each claim **we** may ask for additional supporting documentation not listed. If **you** do not have any supporting evidence of **your** claim with **you**, **your** claim might be delayed. **We** may refuse to refund **you** for any expenses for which **you** cannot provide the documentation **we** ask for.

You may need to get additional proof to support **your** claim while **you** are away. Once **we** have received all the documentation that **we** have asked for and **we** have all the details **we** need, **we** will assess **your** claim against the terms and conditions of this **policy** to decide if **we** can accept **your** claim.

For claims under Section 9 – Legal Costs & Expenses, please see page 35 for details.

All documentation to support **your** claim as required by **us** must be sent at **your** own expense. **We** reserve the right to request that **you** undergo an independent medical examination at **our** expense. **We** may also request, and will pay for, a postmortem examination in the event of **your** death. **You** must retain any property which is damaged, and, if requested, send it to **us** at **your** own expense. If **we** pay a claim for the full value of the property and it is subsequently recovered or there is any salvage, then it will become **our** property. **We** may also pursue any claim to recover any amount due from a **third party** in the name of anyone claiming under this **policy**.

24-hour emergency medical assistance

For emergencies abroad call us first

For medical emergencies: if **you** are taken to hospital as an emergency by ambulance or other emergency service, **you** will need to make sure that **you** or a **travelling companion** call **us** within 48 hours.

Please call the Assistance Team on **+44 1403 470 544** or **+1 833 716 7356** when calling from within the USA and Canada.

For non-urgent medical help: if **you** need to see a **doctor** or need to go to Accident & Emergency or a clinic, call **us** first. This way **we** may be able to help **you** locate the safest and most appropriate source of treatment.

If **your** outpatient treatment is likely to cost more than £350 or **you** are admitted into hospital abroad, someone must call the Assistance Team as soon as possible.

If **you** have to **cut short your trip** under Section 2 Cutting Short Your Trip & Trip Interruption or Section 3 Emergency Medical & Repatriation Expenses the Assistance Team must authorise this in advance. Failure to contact the Assistance Team may mean that **we** are not able to provide cover, or **we** may reduce the amount **we** pay for **your** medical treatment, or additional travel expenses.

Where **you** have a valid claim, and **your** medical expenses exceed £350 **we** will look to settle the bill directly with the medical provider where possible.

For non-medical emergencies: if something happens during **your trip**, and **you** need **our** help, please contact **us**. If **we** identify that the event causing the emergency is not covered by this **policy**, **we** will still try to assist **you** in resolving the problem, but it would be at **your** own cost.

PLEASE NOTE: This is a travel insurance policy and not private medical insurance.

This **policy** does not provide cover for treatment that can be delayed and carried out after **your** return **home** or for any private medical expenses where medically suitable state treatment is available. It is therefore a condition of this insurance **policy** that in the first instance **you** make use of any reciprocal health agreement between the **United Kingdom**, Channel Islands, or the Isle of Man and the country **you** have travelled to, should **you** require medical treatment whilst travelling.

Countries with reciprocal health agreements

If **you** require medical treatment during **your trip** then in the first instance **you** must make use of any reciprocal health agreement between the **United Kingdom**, Channel Islands, or the Isle of Man and the country **you** have travelled to, such as the Global Health Insurance Card (GHIC).

In the event of liability being accepted for medical expenses that have been reduced by the use of a reciprocal health agreement then **we** will not apply the deduction of the **excess** under Section 3 Emergency Medical & Repatriation Expenses.

Australia and New Zealand

If **you** require medical treatment in:

- Australia – **you** must enrol with a local MEDICARE office.
- New Zealand – **you** must go to a state medical facility and present **your** passport at the time of treatment.

If **you** are admitted to hospital, **you** must contact the Assistance Team as soon as possible.

Health Declaration

Your policy contains restrictions, conditions and exclusions that relate to **your** health and to the health of others on whom **your trip** might depend. **You** must read the following information and be satisfied that this **policy** meets **your** needs.

Tell **us** about **your pre-existing medical conditions**.

When **you** purchase or renew **your policy**, **you** must declare ALL **pre-existing medical conditions**.

A **pre-existing medical condition** means:

- a) In the last 2 years, **you** have been prescribed medication, received treatment or had a consultation (as an in-patient or an out-patient) with a doctor or hospital specialist for any **medical condition**. And/or
- b) In the last 5 years, **you** have been diagnosed with or treated for any of the following:
 - Heart or respiratory conditions.
 - Circulatory conditions (e.g. strokes, high blood pressure, cholesterol).
 - Liver conditions.
 - Cancerous conditions.
 - Any mental health condition such as stress, anxiety, depression or eating disorders.
 - Drug or alcohol abuse.

Pre-existing medical conditions will not be covered unless they have ALL been declared and accepted by **us** and are shown on **your Validation Certificate**. **You** must therefore ensure that **you** answer all questions about **yourself** and anyone else insured under **your policy** fully, honestly, and to the best of **your** knowledge, as failure to answer **our** questions accurately may affect the cover **we** provide and **our** ability to pay **your** claim.

Make sure **you** check **your policy** documents to ensure **you** have declared ALL **pre-existing medical conditions**. If **you** need to make a change to the conditions declared or the answers to any of the questions, or to add a **medical condition**, **you** can contact Customer Services on **0333 014 2722**.

What is not covered

1. This **policy** will not provide cover under any circumstances if any **insured person**:
 - is travelling against medical advice (or would be travelling against medical advice had they asked for such advice from a doctor).
 - is travelling with the intention of obtaining medical treatment, tests, investigations or consultation abroad.
 - has any undiagnosed symptoms.
 - is awaiting any test, test results or investigations.
 - has received a **terminal prognosis**.
 - is awaiting surgery, a procedure or is waiting to be discharged from post-operative checks.
 - is having or awaiting dialysis or any form of cancer treatment.
 - is taking part in a medical trial.

Changes to your health

Tell **us** about changes to **your** health by contacting Customer Services on **0333 014 2722**. **You** must tell **us** if any of the following happen after **you** purchase **your policy**, or before booking any new **trips** or before starting a **trip**:

- **you** are diagnosed with a new **medical condition**.
- **you** experience new or recurring symptoms or have an undiagnosed condition.
- **your doctor**, or consultant adds to or changes **your** prescribed medication.
- **you** receive inpatient medical treatment.
- **you** are now awaiting a diagnosis, investigation, test results or medical treatment.

A member of the team will ask **you** specific questions about **your medical condition(s)**. This may result in an additional **premium** to allow cover to continue, or **we** may add additional Terms and Conditions to **your policy** or exclude cover for the newly diagnosed condition or for the condition that has undergone significant change.

We may require **you** to obtain a Medical Report from **your doctor**, or consultant to allow **us** to assess whether cover can continue. Obtaining this Medical Report is at **your** own expense. Based on **our** assessment of the medical information supplied to **us**, **we** will decide whether **we** can continue to insure **you**, and on what basis.

If **we** are unable to continue to provide cover, or if **you** do not wish to pay the additional **premium** **you** will be entitled to make a claim under Section 1 Cancellation for costs which cannot be recovered elsewhere for **trips** booked prior to the change in health.

Alternatively, **you** will be entitled to cancel **your policy**, in which case, **we** will refund a proportionate amount of **your premium**.

Please note that **your doctor**, or consultant telling **you** that **you** are well enough to travel does not mean that **you** will be covered for **your pre-existing medical condition(s)**. If **you** have any concerns regarding whether or not **you** will be covered, please contact Customer Services on **0333 200 5197**.

Alternatively there is a separate arbitration process available that can be used to settle any dispute with **ARAG**. The arbitrator will be a jointly agreed barrister, solicitor or other suitably qualified person. For example, costs may be split between **you** and **ARAG** or may be paid by either **you** or **ARAG**.

8. if there is a disagreement between **you** and **ARAG** on the merits of the claim or proceedings, or on a legal principle, **ARAG** may suggest that **you** obtain at **your** own expense an opinion on the matter from an independent and appropriate expert.
